DETAILED ACTION

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 11/17/04 has been entered. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Priority

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Oath/Declaration

The Oath/Declaration filed on 11/17/04 is acceptable.

Response to Pre-Amendment

Applicant's Pre-amendment filed on 07/15/04 has been entered. It is noted that the application contains claims 1-12 by the Pre-Amendment on 07/15/04.

Allowable Subject Matter

Claims 1-12 are allowed.

The following is an examiner's statement of reasons for allowance:

Claim 1 is allowed over the prior art of record, taken alone or in combination, fails to disclose or render obvious a machine for inspecting ferrules of an optical connector comprising all the specific elements with the specific combination including of a first illumination means positioned below the fixing means for illuminating each of the plurality of ferrules with back light, a second illumination means positioned to move integrally with the optical system for illuminating each of the plurality of ferrules, and a

computer for processing the inside diameter and outside diameter image data from the optical system by means of a computer program in combination with the rest of the limitations of claim 1.

Claim 8 is allowed over the prior art of record, taken alone or in combination, fails to disclose or render obvious a method of inspecting ferrules of an optical connector comprising all the specific elements with the specific combination including of moving each of the remaining ferrules and the optical system to positions corresponding to each other and sequentially obtaining inside diameter and outside diameter image data of each of the remaining ferrules by means of the optical system, calculating an inside diameter, an outside diameter and eccentricity of each of the ferrules by processing the inside diameter and outside diameter image data of each of the ferrules by means of a computer program, and sorting each of the ferrules as superior ferrules if the inside diameter, the outside diameter and the eccentricity of each of the ferrules satisfy a tolerance and displaying the ferrules in combination with the rest of the limitations of claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
